ΚEΥ

SEASON: W=Winter from Dec through mid-March

Sp=Spring from the middle of March through the end of May

Su=Summer from the beginning of June through the middle of August

F=Fall from the end of August through the end of November

Habitat: M=Marsh

F=Field

Th=Thickets

B=Brook

P=Pine woods

0=0verhead

D-C=Mixed Deciduous and Coniferous Woods

Occurrence:

O=Occasional--seen every year several times U=Uncommon--seen frequently but not every trip C=common--seen almost every trip in the appropriate habitat and season
